

London accommodation

for medical and all other professions

– from one night to a year.

Finding accommodation in London, for short or long stays, is always difficult and often very expensive.

DOCTOR IN THE HOUSE is an accommodation agency established for over 30 years. We provide a high standard of accommodation at reasonable rates for medical and other professionals visiting London, attending conferences, courses, exams, research projects, business meetings etc.

We offer:

- ✓ Excellent accommodation in private houses/flats, personally visited and approved by our team
- ✓ We operate in all areas of London close to public transport
- ✓ Our accommodation is close to conference/business centres, hospitals, Royal Colleges and Institutes
- ✓ We offer a warm welcome with privacy and independence
- ✓ Study facilities, TV, broadband, kitchen and laundry are usually available
- ✓ Self-contained flats available at various rates
- ✓ Accommodation is also available in Edinburgh and Oxford.

* Weekly rates are approximate and depend on location and facilities.

Doctor in the House was really helpful offering precise and useful data from their informative website. I wanted to be close to London Bridge station and they found me excellent accommodation at Canary Wharf.

My room was impressive with outstanding views of the River Thames and included all the facilities one would wish to find in a hotel. I thoroughly recommend this wonderful service, you won't be disappointed. Thank you Doctor in the House.

*John O'Brien, Historian
in Medicine and Archivist*
