

**Program: Sixth International Face Eyes Nose November  
2017 [www.faceeyesnose.co.uk](http://www.faceeyesnose.co.uk) Draft Programme**

**Part 1: FACIAL AESTHETICS**

**Wednesday 15<sup>th</sup> November**

***Chair of the Day: Mr TK Sankar (Consultant Plastic Surgeon)***

08.00 Introduction to the Course and Welcome: TK Sankar/R Das-Gupta, Consultant Plastic Surgeons

08.15 Mr Adel Fattah(Manchester) : Anatomy for Aesthetic Facial Surgery

08.45 BotulinumToxin : An overview of Botulinum Toxin in Aesthetic Practice; Dr Andrew Pickett

09.15 Fillers : Complications of Dermal Fillers: Dr Sam Oladiran Gbolahan

09.45 Mario Trelles (Barcelona, Spain) Upper Blepharoplasty with the assistance of a CO2 Laser

10.15-10.30 Q and A's

**10.15. Coffee Break**

11.00 Advances in facial skin rejuvenation with laser in dark skin; Mario Trelles (Barcelona, Spain)

11.30 The Fractionated Ultrapulse CO2 Laser in Aesthetic Facial Plastic Surgery (Lumenis Speaker TBA)

12.00 Rhinophyma Treatment with CO2 Laser; Mario Trelles (Barcelona, Spain)

12.30 PRP in Facial Plastic Surgery: Professor Ash Moushabi (Royal Free Hospital, London)

13.00-13.15 Q and As

## **13.00 Lunch Break**

### **14.00 Foad Nahai (Atlanta, USA) KEYNOTE**

President American Association of Aesthetic Surgery

“Injectable’s versus Surgery Results and Financial Considerations, comparison of results of injectable’s with surgical procedures in terms of longevity and cost”

### **14.30 Mario Trelles (Barcelona, Spain) KEYNOTE**

Trans Epidermisation of drugs with Radiofrequency and ultrasound to improve facial skin aesthetics;

15.15 Tea

15.45 Andrew Burd “Facial Burns Corrective Aesthetic Surgery”

16.05 Speaker TBA “Ear Fold a New Technique” for Pinnaplasty

16.25 Radmillo Roncevic (Belgrade) “Aesthetic Thyroid Eye Aesthetic Surgery”

16.45 Max Malik “Hair transplants as part of rejuvenation”

17.05 “How to Set Up an Aesthetic Practice Pitfalls and Opportunities” Mr Shailesh Vadodaria (London)

17.30 A and A’s

## **18.00 Italian Buffet and Wine**

[www.faceeyesnose.co.uk](http://www.faceeyesnose.co.uk)

**PART 2: FACELIFT AND OCULOPLASTIC SURGERY (Day 1  
Lectures, Day 2 Laboratory Fresh Cadaver dissection (limited  
space)**

**Thursday 16<sup>th</sup> November**

08.20 Introduction and Welcome to the Meeting  
Rana Das-Gupta

Session 1 Chair : Mr Simon Withey (London)

08.30 Holger Gassner (Regensburg, Germany)  
“Facial Anatomy: the foundation for excellent surgical results”

09.00 KEYNOTE LECTURE: Thomas Mustoe (Chicago, USA): Avoiding  
the Submental Incision in Face and Neck Lift

09.15 KEYNOTE LECTURE: Thomas Mustoe (Chicago, USA): Limited  
Facelift (Mini Lift or Neck Lift)

09.30 Foad Nahai (Atlanta, USA) Facial Rejuvenation Current State of  
the Art 2017 I will review the current options for facelifts

10.00 Andrew Jacono (New York, USA) Deep Plane Single Layer  
facelift, how I approach the facial ligaments

**Round Table I Nahai, Mustoe, Jacono, Gassner**

10.20 Michael Cadier (Moderator)

**“when do I open the submental area and what do I do there”**

11.00am Coffee and Cake

Session 2 Chair Prof. Ash Moshebi (London)

11.30 Norman Waterhouse (London, UK) Endoscopic Brow Lift “my  
philosophy” Norman Waterhouse (London, UK)

11.50 Norman Waterhouse “Minimising gestures in face and peri-orbital surgery”

12.10 Alessandro Gualdi (Milan) “MUST : Mini-invasive midface lifting Technique”

12.30 Lunch

Session 3

Chair Michael Cadier

13.30 Foad Nahai (Atlanta, USA)

Facelifts Avoidance and Management of Complications Will review all possible complications, how to avoid and how to treat.

14.00 Andrew Jacono (New York, USA)

Midline Platysmaplasty Subplatysmal midline neck procedures (removal of sub-platysmal fat, digastric, and sub mandibular gland removal)

14.30 Keynote Lecture: Thomas Mustoe (Chicago, USA) The Early Secondary FaceLift

14.45 Keynote Lecture: Thomas Mustoe (Chicago, USA) Elevation of the MidFace as part of the facelift, minimizing the need for adding volume

### **Round Table II: Nahai, Mustoe, Jacono, Gassner**

15.00 **Norman Waterhouse** (Panel Moderator)

**“what do I do with the SMAS, when and why”**

15.30 Jonathan Britto (London UK) Composite Rejuvenation and restoration of the lower eyelid and midface indications and outcomes

16.00 Simon Withey (London, UK) and Tarek Ahmed (Cambridge, UK) Sculpture and Art in Plastic Surgery

16.30 Tea and Madeira Cake

17.00-19.00

## **Oculo-plastic Surgery Meeting**

17.00 Foad Nahai (Atlanta, USA) Blepharoplasty Current State of the Art 2017 I will review current options for Blepharoplasty

17.30 Francesco Bernadi (Milan) Philosophy of rejuvenation, reposition, restoration, regeneration. Fat grafting for the periocular region.

18.00 Andrew Jacono (New York, USA) Blepharoplasty my approach

18.30 Foad Nahai (Atlanta, USA) Blepharoplasty Avoidance and Management of Complications Will review all possible complications, how to avoid and how to treat.

19.00: Simon Woodruff Defining aesthetic outcomes of upper lid blepharoplasty; its all about what you show

19.15 Saj Attaulah TBA

19.30 questions closing comments and

19.45 Taxi's to Conference Dinner

**20.00 Conference Dinner (Ticket Holders Only Please)**

**Friday 17<sup>th</sup> November**

**Facelift/Oculoplastic Dissection day**

08.00 Demonstration facelift: Foad Nahai “My basic Technique”

09.00 Delegates to try that technique on one side of the face

10.00 Demonstration facelift: Thomas Mustoe “My basic Technique”

11.00 Delegates to try that technique on the other side of the face

12.00 Lunch

13.00 Endoscopic Forehead Lift Demonstration: Jonathan Britto

14.00 Delegates to perform Endoscopic Brow Lift

15.00 Demonstration of Upper and Lower Eyelid Procedure and  
cathopexy: Saj Ataulah

16.00 Demonstration of Midface Lift; Jonathan Britto

16.15 Delegates to Practice

16.45 Ear Fold Demonstration (Speaker TBA) only one  
demonstration

**NOT TO BE PRACTISED BY DELEGATES AS EARS NEEDED FOR FURTHER DISSECTIONS**

17.30 Close of the day and the Laboratory

*end of part 1 (facelift and oculoplastic) meeting*

[www.faceeyesnose.co.uk](http://www.faceeyesnose.co.uk)

**Saturday 18<sup>th</sup> November 2017**

**Part III: RHINOPLASTY MEETING (Day 1 Lectures, Day 2  
Laboratory Fresh cadaver Dissection, limited space)**

08.00 Registration and Coffee

08.20 am Introduction: Shaz Ahmed/Rana Das-Gupta

**Chair of the day: Mr Shaz Ahmed, Consultant ENT Surgeon**

Session 1 Chair Shaz Ahmed

08.30 Holger Gassner (Regensburg, Germany)  
Finesse in Rhinoplasty : Endonasal Solutions

09.00 Pietro Palma (Milan) Finesse rhinoplasty. Achieving superior results through the endonasal approaches.

09.30 Hossam Foda (Egypt) Managing the deviated nose, the role of septal surgery

10.00 Thomas Mustoe (USA) Technique for Precise and Efficient Dissection in Rhinoplasty

10.15 Thomas Mustoe (USA) Utility in medial crura division and resection to precisely control tip projection

10.30 Coffee and Fruit Cake

Session 2 Chair Michael Cadier

11.00 Olivier Gerbault (Paris) Osteotomies and Bone Reshaping: A new breakthrough in technology and a paradigm shift in design

11.30 Hesham Saleh (Charing Cross, London) "Endo-nasal tip suturing techniques revisited"

12.00 Hossam Foda (Egypt) Nasal base narrowing

12.20 Hossam Foda (Egypt) “Tip suturing techniques”

12. 40 Santdeep Paun (London) “Rethinking tongue in groove in tip surgery”

13.00-14.00 Lunch Traditional British Fish and Chips

Session 3 Chair: Simon Withey (London)

14.00 Olivier Gerbault (Paris) The African Nose, principles of management in rhinoplasty.

**14.30pm Dean Toriumi (Chicago, USA)**

**Keynote Lecture.**

*Structure Approach to Rhinoplasty: Lessons Learned in 30 years.*

**15.30pm: Simon Withey (Moderator)**

Round Table III

**Toriumi, Mustoe, Gerbault, Gassner, Foda**

**“Order of Procedure in Rhinoplasty in the light of Piezo: Keep Up its All Changed”**

16.00 Tea and Cucumber Sandwiches

Session 4 Chair Srinivasan

16.00 Tim Woolford “ Building and Surviving a rhinoplasty practice”  
(Manchester Royal Infirmary)

**16.30 Dean Toriumi: Keynote presentation. *Management of Complex Nasal Deformities.***

17.30 Hesham Saleh (Charing Cross, London,) Camouflage techniques in Rhinoplasty

18.00 Anshul Sama “sleep apnoea - is it a big deal in rhinoplasty?”

18.20 **DEAN TORIUMI** VIDEO PRESENTATION

Structure Grafting in Rhinoplasty

19.20 Discussion of Video Presentation

19.30 Close of Meeting

**20.15 Rhinoplasty Faculty Dinner (The Saxon Mill Pub, Private Room)**

## **Sunday 19<sup>th</sup> November 2017**

### **Rhinoplasty Laboratory Day**

*(it is assumed that candidates have some experience of rhinoplasty if sitting this masterclass)*

Osteotomies using ultrasound knife (piezo)

**08.30: Olivier Gerbault:**

Osteotomies in Rhinoplasty using the Piezo Techniques

**10.00am Harvesting Septum: Hesham Saleh**

**10.30 Marking and Opening the Nose and Exposing the tip cartilages:  
Dean Toriumi**

**11.30 Delegates : Incisions and opening the nose and Septoplasty  
Septal harvest and creation of Spreader Grafts**

**12.15 Sandwiches arrive staggered breaks**

**13.30 Osteocartilginous Vault Surgery Hump Reduction: Composite  
or Component**

Internal Medial Osteotomy

Internal lateral Osteotomy

Percutaneous Lateral Osteotomy

*Or Piezo if you (as a candidate are already competent at using the  
above techniques with traditional osteotomes)*

**14.00 Tip Suturing Techniques: Hossam Foda**

Delegates To Try: Tip Modification Techniques and Suturing

**Hossam Foda** to demonstrate:

a) Dome Creation Suture

b) Lateral crural steal

- c) Dome equalization suture
- d) Tongue in Groove
- e) Lateral crural spanning sutures
- f) Medial crural fixation suture

*Delegates to practice above techniques*

**14.30 Dean Toriumi to demonstrate:**

Grafts  
Septal Extension Grafts  
Columnellar Strut  
Shield Graft  
Tip Graft

**15.00 pm Hesham Saleh to demonstrate:**

Cephalic Trim  
Lateral Crural Overlap

*Delegates to practice above techniques*

15.45pm: Hossam Foda to Demonstrate DCF

Dorsal Graft (Diced cartilage in Fascia Dorsal graft)

16.30pm The Forehead Flap: **Holger Gassner**

16.45pm Naso labial flap: **Bruce Richards**

17.00pm Conchal Cartilage Grafts: **Bruce Richard**

**17.30 CLOSE of MEETING**
