Part 1 FACIAL AESTHETICS

Wed 15th November

Chair of the Day: Mr TK Sankar (Consultant Plastic Surgeon)

Session 1 Chair: Mr TK Sankar

08.00am Introduction to the Course and Welcome: TK Sankar/R Das-Gupta, Consultant Plastic Surgeons

08.15am Mr Adel Fattah (Manchester University Hospitals): Anatomy for Aesthetic Facial Surgery

08.45am BotulinumToxin: An overview of Botulinum Toxin in Aesthetic Practice; Dr Andrew Pickett

09.15am Fillers: Complications of Dermal Fillers: TK Sankar

09.45am Mario Trelles (Barcelona, Spain) Upper Blepharoplasty with the assistance of a CO2 Laser

10.15-10.30 Q and A's

10.30am Coffee Break

Session 2 Chair Jeyaram Srinivasan (Consultant Plastic Surgeon)

11.00am Advances in facial skin rejuvenation with laser in dark skin; Mario Trelles (Barcelona, Spain)

11.30am The Fractionated Ultrapulse CO2 Laser in Aesthetic Facial Plastic Surgery (Max Murison, Swansea, UK)

12.00 Rhinophyma Treatment with CO2 Laser; Mario Trelles (Barcelona, Spain)
12.30pm “How to Set Up an Aesthetic Practice Pitfalls and Opportunities” Mr Shailesh Vadodaria (London)

13.00-13.15 Q and As

13.00 Lunch Break

14.00pm **Foad Nahai (Atlanta, USA) KEYNOTE**
President American Association of Aesthetic Surgery

“Injectable’s versus Surgery Results and Financial Considerations, comparison of results of injectable’s with surgical procedures in terms of longevity and cost”

14.30pm **Mario Trelles (Barcelona, Spain) KEYNOTE**

Trans Epidermisation of drugs with Radiofrequency and ultrasound to improve facial skin aesthetics;

15.15pm Tea

15.45pm Andrew Burd “Facial Burns Corrective Aesthetic Surgery”

16.15pm Radmillo Roncevic (Belgrade) “Correction of exophthalmos and eyelid deformities in patients with severe thyroid ophthalmopathy”

16.45pm Max Malik “Hair transplants as part of rejuvenation”

17.15pm PRP in Facial Plastic Surgery: Professor Afshin Mosahebi (UCL, London)

17.45pm 18.00pm Speaker TBA “Ear Fold a New Technique” for Pinnaplasty

18.00pm Q and A’s

18.00 Italian Buffet and Wine
www.faceeyesnose.co.uk

PART 2; FACELIFT AND OCULOPLASTIC SURGERY (Day 1 Lectures, Day 2 Laboratory Fresh Cadaver dissection (limited space)

Thursday 16th November

08.20am Introduction and Welcome to the Meeting
Rana Das-Gupta

Session 1 Chair: Mr Jonathan Britto

08.30am Holger Gassner (Regensburg, Germany)
“Facial Anatomy: the foundation for excellent surgical results”

09.00am KEYNOTE LECTURE: Thomas Mustoe (Chicago, USA):
Avoiding the Submental Incision in Face and Neck Lift

09.15am KEYNOTE LECTURE: Thomas Mustoe (Chicago, USA):
Limited Facelift (Mini Lift or Neck Lift)

09.30am Foad Nahai (Atlanta, USA) Facial Rejuvenation Current State of the Art 2017 I will review the current options for facelifts

10.00am Andrew Jacono (New York, USA) Deep Plane Single Layer facelift, how I approach the facial ligaments

10.30am Round Table I Michael Cadier/Norman Waterhouse (Moderators)

Panel: F. Nahai, T. Mustoe, A. Jacono, H. Gassner

Question “The Neck: when do I open the submental area and what do I do there”

11.00am Coffee and Cake

Session 2 Chair Prof. Afshin Mosahebi (London)
11.30am Norman Waterhouse (London, UK) Endoscopic Brow Lift “my philosophy” Norman Waterhouse (London, UK)

11.50 Norman Waterhouse “Minimising gestures in face and peri-orbital surgery”

12.10 Alessandro Gualdi (Milan) “MUST: Mini-invasive midface lifting Technique”

12.30-13.30pm Lunch

Session 3
Chair Michael Cadier (SW Regional Plastic Surgery Centre), UK

13.30pm Foad Nahai (Atlanta, USA) Facelifts Avoidance and Management of Complications Will review all possible complications, how to avoid and how to treat.

14.00pm Andrew Jacono (New York, USA) Midline Platysmaplasty Subplatysmal midline neck procedures (removal of subplatysmal fat, digastric, and sub mandibular gland removal)

14.30pm Keynote Lecture: Thomas Mustoe (Chicago, USA) The Early Secondary FaceLift

14.45pm Keynote Lecture: Thomas Mustoe (Chicago, USA) Elevation of the MidFace as part of the facelift, minimizing the need for adding volume

15.00 pm Round Table II: Norman Waterhouse/Basim Matti (Panel Moderators)

Panel: F. Nahai, T. Mustoe, A. Jacono, H. Gassner

Question “what do I do with the SMAS, when and why”

15.30pm Jonathan Britto (London UK) Composite Rejuvenation and restoration of the lower eyelid and midface indications and outcomes
16.00pm Tarek Ahmed (Cambridge, UK) Sculpture and Art in Plastic Surgery

16.15pm Basim Matti, Thirty Years in facelift Surgery, Pearls from my Experience

16.30pm Tea and Madeira Cake

17.00-19.00pm Evening Session

**Oculo-plastic Surgery Meeting**
*(Chair: Simon Woodruff, Oculoplastic Surgeon)*

17.00 Foad Nahai (Atlanta, USA) *Blepharoplasty Current State of the Art 2017* I will review current options for Blepharoplasty

17.30 Francesco Bernardini (Milan, Italy) Endoscopic face lifting and fat grafting for the rejuvenation of the periocular region

18.00 Andrew Jacono (New York, USA) *Blepharoplasty my approach*

18.30 Foad Nahai (Atlanta, USA) *Blepharoplasty Avoidance and Management of Complications* Will review all possible complications, how to avoid and how to treat.

19.00pm Simon Woodruff (Cambridge University Hospitals, UK) Defining aesthetic outcomes of upper lid blepharoplasty; its all about what you show

19.15pm Saj Attaulah, Consultant Oculoplastic Surgeon (Manchester University Hospitals) Transconjunctival Fat Repositioning

19.30pm questions closing comments and

19.45pm Taxi’s to Conference Dinner

**20.00pm Conference Dinner** Coombe Abbey Hotel Brinklow Road, Binley, Coventry CV3 2AB (Ticket Holders Only Please)
Friday 17th November

Facelift/Oculoplastic Dissection day

08.00 Demonstration facelift: Foad Nahai “My basic Technique”

09.00 Delegates to try that technique on one side of the face

10.00 Demonstration facelift: Thomas Mustoe “My basic Technique”

11.00 Delegates to try that technique on the other side of the face

12.00 Lunch

13.00 Endoscopic Forehead Lift Demonstration: Jonathan Britto

14.00 Delegates to perform Endoscopic Brow Lift

15.00 Demonstration of Upper and Lower Eyelid Procedure and cathopexy: Saj Ataulah

16.00 Demonstration of Midface Lift; Jonathan Britto

16.15 Delegates to Practice

16.45 Ear Fold Demonstration (Alan Hannan) only one demonstration

*NOT TO BE PRACTISED BY DELEGATES AS EARS NEEDED FOR FURTHER DISSECTIONS*

17.30 Close of the day and the Laboratory

*end of part 1 (facelift and oculoplastic) meeting*
Part III: RHINOPLASTY MEETING (Day 1 Lectures, Day 2 Laboratory Fresh cadaver Dissection, limited space)

08.00 Registration and Coffee

08.20 am Introduction: Shaz Ahmed/Rana Das-Gupta

Chair of the day: Mr Shaz Ahmed, Consultant ENT Surgeon

Session 1 Chair Shaz Ahmed

08.30 Holger Gassner (Regensburg, Germany)
Finesse in Rhinoplasty : Endonasal Solutions

09.00 Hesham Saleh (Charing Cross, London) “Endo-nasal tip suturing techniques revisited”

09.30 Hossam Foda (Egypt) Managing the deviated nose, the role of septal surgery

10.00 Thomas Mustoe (USA) Technique for Precise and Efficient Dissection in Rhinoplasty

10.15 Thomas Mustoe (USA) Utility in medial crura division and resection to precisely control tip projection

10.30 Coffee and Fruit Cake

Session 2 Chair : Michael Cadier (London)

11.00 Olivier Gerbault (Paris) Osteotomies and Bone Reshaping: A new breakthrough in technology and a paradigm shift in design

11.30 Pietro Palma (Milan) Finesse rhinoplasty. The patient’s perspective, the surgeon’s dilemmas.

12.00 Hossam Foda (Egypt) Nasal base narrowing
12.20 Hossam Foda (Egypt) “Tip suturing techniques”

12.40 Santdeep Paun (London) “Rethinking tongue in groove in tip surgery”

13.00-14.00 Lunch Traditional British Fish and Chips

Session 3 Chair: Tarek Ahmed (Cambridge)

14.30pm Dean Toriumi (Chicago, USA)
Keynote Lecture.
Structure Approach to Rhinoplasty: Lessons Learned in 30 years.

15.30pm: Tarek Ahmed/Basim Matti (Moderators)
Round Table III
Toriumi, Mustoe, Gerbault, Gassner, Foda

“Order of Procedure in Rhinoplasty in the light of Piezo: Keep Up its All Changed”

16.00 Tea and Cucumber Sandwiches

Session 4 Chair: Jeyaram Srinivasan

16.00 Tim Woolford “ Building and Surviving a rhinoplasty practice” (Manchester Royal Infirmary)

17.30 Hesham Saleh (Charing Cross, London,) Camouflage techniques in Rhinoplasty

18.00 Anshul Sama “sleep apnoea - is it a big deal in rhinoplasty?”

18.20 DEAN TORIUMI VIDEO PRESENTATION
Structure Grafting in Rhinoplasty

19.20 Discussion of Video Presentation

19.30 Close of Meeting

20.15 Rhinoplasty Faculty Dinner - The Saxon Mill Pub, Private Room
(Ticket Holders Only Please)
**Sunday 19th November 2017**

**Rhinoplasty Laboratory Day**
*(it is assumed that candidates have some experience of rhinoplasty if sitting this masterclass)*

Osteotomies using ultrasound knife (piezo)

08.30: **Olivier Gerbault:**
Osteotomies in Rhinoplasty using the Piezo Techniques

10.00 Marking and Opening the Nose and Exposing the tip cartilages: **Dean Toriumi**

10.30 Tip Suturing Techniques: **Hossam Foda**
Delegates To Try: Tip Modification Techniques and Suturing

Hossam Foda to demonstrate:
- a) Dome Creation Suture
- b) Lateral crural steal
- c) Dome equalization suture
- d) Tongue in Groove
- e) Lateral crural spanning sutures
- f) Medial crural fixation sture

*Delegates to practice above techniques*

11.30 Delegates: Incisions and opening the nose and Septoplasty
Septal harvest and creation of Spreader Grafts

**12.15 Sandwiches arrive staggered breaks**

13.30 Osteocartilginous Vault Surgery Hump Reduction: Composite or Component
Internal Medial Osteotomy
Internal lateral Osteotomy
Percutanous Lateral Osteotomy

*Or Piezo if you (as a candidate are already competent at using the above techniques with traditional osteotomes)*
14.00am Harvesting Septum: **Hesham Saleh**

**14.30 Dean Toriumi to demonstrate:**
- Grafts
- Septal Extension Grafts
- Columellar Strut
- Shield Graft
- Tip Graft

**15.00 pm Hesham Saleh to demonstrate:**
- Cephalic Trim
- Lateral Crural Overlap

*Delegates to practice above techniques*

15.45pm: Hossam Foda to Demonstrate DCF
- Dorsal Graft (Diced cartilage in Fascia Dorsal graft)

16.30pm  The Forehead Flap: **Holger Gassner**

16.45pm  Naso labial flap: **Bruce Richards**

17.00pm  Conchal Cartilage Grafts: **Bruce Richard**

**17.30 CLOSE of MEETING**
